STEPPING BACK IN TIME!

Heads rolled amongst the History teachers and pupils couldn't believe their eyes, when Henry VIII popped into MHS G to visit earlier this term! He certainly put a big smile on everyone's faces, as he regaled stories from the Tudor days, while posing for selfies! This visit was funded by the PTA and was a real highlight for everyone involved!

PRE-LOVED UNIFORM SALES!

Our Uniform sales raise lots of funds for the PTA and are very popular. We are hoping to run them more frequently next term, so please keep an eye on the Weekly Bulletin for dates and times. If you have any old uniform, please drop it at Reception, so we can resell it.

TEAM BUILDING IN Y9

The Problem Solving Company delivered a fun day of Team building activities for Year 9, funded by the PTA. The students enjoyed a packed timetable of challenges designed to test their creative thinking skills, as well as their ability to work together as part of a team. The activities included breaking codes and building skyscrapers. This was the perfect opportunity for Year 9 to get to know their new forms better and build the foundations of new friendships.

XMAS FAIR FESTIVITIES!

Thank you so much for all your donations and generosity in making our Xmas Fair another great success this year. Despite the dreadful storms, we still had a wonderful turnout, with people enjoying the Bottle Tombolas, Gift Stalls, Mulled Wine, Santa's Grotto, Cookie Decorating stalls and more! These events are so special, bringing the MHS community together, so thank you for your support!
