This policy covers the requirements for Early Years Foundation Stage, Primary and Secondary Schools.

Definition

Any matter about which a parent/guardian of a pupil is unhappy and seeks action by the School is considered to be a complaint and is in the scope of the procedures detailed within this policy.

Introduction

Manchester High School for Girls is an independent school and as such is a self-regulating community independent of the state system of education. It has a culture based on mutual dependence of all its elements. Its integrity depends on everyone working towards the common aims and objectives and adhering to the policies and procedures of the school.

The school aims to work cooperatively and in partnership with parents/guardians. It is recognised, however, that there are times when there will be issues that are not resolved to the satisfaction of parents/guardians, and that they will wish to make a complaint.

If parents/guardians do have a complaint, the School will treat it in accordance with the policy and procedures detailed below. It is hoped that most complaints and concerns will be resolved quickly, sensitively and informally. Responding to complaints will be given the highest priority by the School and will be dealt with comprehensively.

Information to Parents/Guardians

The School makes the complaints policy available to parents/guardians of existing pupils and of prospective pupils

- via the School's website
- via the Parent Handbook, issued in June/July
- if they request the complaints policy.

Principles

The School takes feedback from all stakeholders very seriously.

The investigation into a complaint should begin on the day of its receipt where possible and practicable.

Staff should listen carefully and patiently to complaints. Even if the complaint is ill-founded, it is a matter of concern to the parent/guardian and/or the pupil.

If the issue is simple (for example, a parent is concerned that their child is upset at the insensitive behaviour of one of her peers) and within the competence and authority of the member of staff receiving the complaint to resolve quickly, this should be done and the Head of Year / Head of Section/ Head of Preparatory Department informed at the earliest opportunity via an Interview Form or using CPOMs.

With regard to more serious complaints (such as a complaint about the quality of teaching or insensitivity by a member of staff), written details will be recorded either on an Interview Form or on CPOMs by any member of staff receiving a complaint. The parent/guardian should be reassured that the complaint will be

Amended by the Head Mistress (October 2024). Approved by the Governor Academic Development Committee October 2024.

passed to the relevant senior staff, in the first instance normally the Head of Year / Head of Section/ Head of Preparatory Department, who will follow Stage One of the Complaints Procedure.

If the complaint concerns a Child Protection issue the complaint should be referred immediately to the Designated Safeguarding Lead: Deputy Head (Pastoral) in Senior School or Deputy Head of the Preparatory Department as appropriate. Very serious complaints of other types (for example, racial abuse) should be referred directly to the Deputy Head (Pastoral) or Head of the Preparatory Department as appropriate.

If the complaint concerns an allegation of abuse by a member of the School staff (for example, inappropriate relationships between a pupil and a member of staff), the complaint should be referred immediately to the Head Mistress. If the Head Mistress is not available or if the allegation involves the Head Mistress, suspicions should be reported to the Designated Safeguarding Lead who will contact the Chair of Governors.

The intention is to adhere to the timeframes cited in this policy. However, there may be occasions when these timeframes will need to be extended. If timeframes have to be extended, the reasoning for so doing will be made clear and communicated to the complainant.

Confidentiality

The School will keep a log of informal complaints recording the date and nature of the complaint and action taken by the School for any complaint from a parent/guardian of a pupil dealt with at Stage 1. The log of informal complaints will be stored in a confidential file with the complaints-related documentation.

The School will keep a log of formal complaints recording the date and nature of the complaint and action taken by the School (regardless of whether the complaint is upheld) for any complaint from a parent/guardian of a pupil dealt with at Stage 2 or 3. The log of formal complaints will be stored in a confidential file with the complaints-related documentation which will include correspondence from and to the complainant, any statements and other records. Information on a complaint relating to a particular member of staff will be stored in the confidential file of that member of staff.

Records of complaints records and the related documentation will be made available to an ISI inspection team on request.

Documentation about a complaint will be stored on school premises for at least seven years after the pupil has left the School and longer for those complaints relating to safeguarding issues.

Any meetings that take place must not be recorded, unless doing so will enable the School to conform to the Equality Act. All parties must agree to the recording of a meeting.

Independent Schools Inspectorate

The School is inspected by the Independent Schools Inspectorate. (Independent Schools with no Early Years Foundation Stage below the age of three are not required to be registered with Ofsted.)

ISI contact details are available on their website. They may be contacted by telephone by parents/guardians wishing to make a complaint on 020 7776 8849.

Informal and formal procedures for responding to complaints

Stage 1 Informal resolution

- If parents/guardians have a complaint, they should normally contact their daughter's Head of Year/ Head of Section or the Head of the Preparatory Department. Depending on the nature of the complaint, the Head of Year/ Head of Section or the Head of the Preparatory Department may refer the complaint to a more appropriate member of staff; for example it may be necessary to consult the Deputy Head (Teaching and Learning), the Deputy Head (Pastoral) or the Director of Sixth-Form in the Senior Department.
- In many cases, the matter will be resolved quickly by this means to the parents'/guardians' satisfaction. If the complaint involves the quality of teaching in the Senior School, the Head of Department will normally be consulted by the Head of Year prior to any discussion with the subject teacher concerned, and the Head of Department may be involved in any interviews. Parents/guardians may expect to have a response, even if not the final response, to their complaint **within** two working days of having made the complaint.
- Complaints made directly to a Head of Department, Head of Preparatory Department, Deputy Head or the Head Mistress will usually be referred to the relevant Head of Year or Preparatory Class Teacher unless it is felt to be more appropriate that the recipient of the complaint should deal with the matter personally.
- The Head of Year/ Head of Section/ Head of Department will make a written record, on a School Interview Form or on CPOMs, of all concerns and complaints, the date on which they were received and the action taken. This will be passed or notified to the relevant member of the Senior Leadership Team (SLT) who will evaluate the response to the complaint. The member of SLT will then complete the Stage 1 Summary Form and forward this and the related paperwork to the PA to the Head Mistress for storing.
- Should the matter not be resolved **within one working week** or in the event that the Head of Year or relevant member of the SLT and the parents/guardians fail to reach a satisfactory resolution, then parents/guardians will be advised to proceed with their complaint in accordance with Stage 2 of this procedure.

Stage 2 Formal resolution

- If the complaint cannot be resolved on an informal basis, the parents/guardians should put their complaint in writing to the Head Mistress. Stage 2 of the process should be invoked within ten working days of the Stage 1 process coming to an end. The Head Mistress will decide, after considering the complaint, the appropriate course of action. This may involve one of the Deputy Heads conducting a further investigation into the matter.
- In most cases, the Head Mistress, following her investigation of the issues, will meet the parents/guardians, normally **within ten working days** of receiving the written complaint, to discuss the matter. If possible, a resolution will be reached at this stage. It may be necessary for the Head Mistress to carry out further investigations.
- The Head Mistress will keep written records of all meetings and interviews held in relation to the complaint.

- Once the Head Mistress is satisfied that, so far as is practicable, all the relevant facts have been established, a decision will be made and parents/guardians will be informed of this decision in writing. The Head Mistress will also give reasons for her decision. The written decision will be sent within ten working days of the meeting with the Head Mistress.
- If parents/guardians are still not satisfied with the decision made by the Head Mistress they can proceed to Stage 3 of this Procedure.

Stage 3 Panel Hearing

- For a complaint to proceed to Stage 3, parents/guardians should have met with the Head Mistress to discuss their concerns, as indicated above. If dissatisfied with the process at Stage 2, parents/guardians can invoke Stage 3 of the Complaints process.
- Unless there are extenuating circumstances, Stage 3 should be invoked within ten working days of the date of the written response from the Head Mistress to the Stage 2 complaint.
- If parents/guardians seek to invoke Stage 3 (following a failure to reach an earlier resolution), they will be advised to contact the Chair of Governors in writing, via the Clerk to the Governors at the School. The Clerk will need the details of the complaint, as well as details on how they feel the previous stage of the procedure has not addressed their complaint sufficiently, and what they feel would resolve the complaint.
- The Clerk will acknowledge the complaint within five working days of receiving the written complaint.
- The Clerk to the Governors will usually share the complaint with the Head Mistress to ascertain whether all aspects of the concern have been considered at Stage 2. If all aspects of the complaint have not been considered at Stage 2, the Clerk will refer the parents/guardians back to Stage 2 of the Complaints process.
- If Stage 3 is invoked, the Chair of Governors will set up a Complaints Panel for consideration. The Panel will consist of at least three members not directly involved in the matters detailed in the complaint, one of whom shall be independent of the management and running of the School. Two of the three members may be Governors of the School. The Head Mistress may also be in attendance during any panel hearing.

The independent member of the panel should be a person who has held a position of responsibility and who is used to analysing evidence and putting forward balanced arguments/points. Serving or retired business people, civil servants, head teachers or senior staff at other schools and people with a legal background might be considered suitable.

Each of the Panel members shall be appointed by the Governing Body.

- The complainant must have reasonable notice of the date of the review panel. The clerk will aim to find a date within ten school days of acknowledging the complaint, where possible. If the complainant rejects the offer of three proposed dates without good reason, the clerk will set a date and the review panel will meet to consider the complaint.
- If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter may be supplied in advance of the hearing. The Panel may ask the Head Mistress for further clarification, as necessary, before proceeding to a hearing. Copies of such particulars shall be supplied to all parties **not later than 5 working days prior to the hearing.**

- The parents/guardians may be accompanied to the Panel Hearing by one other person. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.
- If possible the Panel will resolve the parents'/guardians' complaint immediately without the need for further investigation.
- Where further investigation is required, the Panel will decide how it should be carried out. After due consideration of all the facts they consider relevant, the Panel will reach a decision and may make recommendations, which it shall complete **within 10 working days of the Panel Hearing**. The Panel will write to the parents/guardians informing them of its decision and the reasons for it. The decision of the panel will be final. The Panel's findings and, if any, recommendations will be sent in writing, and at the same time, to the parents/guardians, the Head Mistress, the Governors and, where relevant, the person about whom the complaint refers. A copy of the findings will be available in the School for inspection by the Chair of Governors and the Head Mistress.
- Parents/Guardians can be assured that all concerns and complaints will be treated seriously and confidentially. Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or body conducting an inspection (ISI) requests access to them.

Complaint Campaigns

It is possible that the School could become the focus of a campaign and receive large volumes of complaints:

- all based on the same subject
- from complainants unconnected with the School

In such an event, it will not be appropriate to follow this policy and either a template response will be made to all complainants or a single response to the complaints will be published on the School's website.
